Our Range of high-quality innovative services that address the Psychological, educational, social and developmental views of individuals and organizations.

We provide Consultancy, Training, Counseling and Career Guidance services at school, colleges, coaching classes & corporate venues for students, parents, teachers & employees at all levels.

Proudly associated with many schools, colleges, Corporates & prestigious institutions like Hindustan Times, I.I.T. Mumbai, Kalina University, BSE FORUM, Many other colleges, NGO's like Medscape India, Aditya Foundation, Bharat Vikas Parishad, Neuro Research Centre etc. She has helped to develop the personality & Careers of more than thousand 10,000 students. Thus, through her contribution with various other centers and associated centers she has always been working for betterment of generation and society.

We have been working for the betterment of the students for the last 15 years and has developed the personalities and shaped careers of more than ten thousand students.

In today's worldwide career choices are available. New opportunities are coming up frequently. Hence it is important that students select correct career.

As per our last experience, students have felt frustrated after long years of study not because they did not have the intellectual aptitude, but because they failed in making right career choice. Without assessing their intelligence, aptitude, interest and personality, they choose a career under friends influence or to suit their parents wish or to take earliest available opportunities.

Our experience and achievements in the field of career guidance services for represents the dynamics of our profile. We can successfully handle career Guidance services for esteem institute.

Enclosed herewith are

- Details of Career Guidance program
